[illegible]

The remote control is black with a variety of buttons. At the top, there is a red power button, a black dimmer/mute button, and a yellow shift button. Below these are four blue buttons: TV, DVD, SAT, and AUX. The next row contains buttons for SLOW, STEP-FREEZE, HOLD, and REC MODE. The following row has play, pause, stop, and a red record button. The next row includes tune-, tune+, preset-, and preset+ buttons. The following row has left and right arrow buttons, a double left arrow, and a double right arrow. The next row includes title, lang, eq, and surround buttons. The following row has sound, audio, subtitle, and a volume up button. The next row includes format, size, timer, and program buttons. The following row has picture, zoom, sleep, and TV/radio buttons. The next row includes top menu, opt-tools, goto, and rds buttons. The following row has d.menu, setup, text, and av input buttons. Below this is a row with home, menu, and angle buttons. The next row has a central navigation pad with an OK button and four directional arrows. The following row has clear, exit, cancel, list, smart, media, display, return, and back buttons. The next row has a large volume up/down button, a list button, and a large channel up/down button. The following row has TV, DVD, and CD-DB buttons. The next row has a numeric keypad from 1 to 9, with video, tape, and tuner buttons above them. The following row has aux-hdd, usb, and bluetooth buttons. The next row has a double left arrow, hddi-sat, and pc buttons. The following row has guide/epg, 0, and fav marker buttons. The next row has a row of four colored buttons: Netflix, App, YouTube, and Prime Video. The final row has search, repeat, repeat a-b, and random buttons. At the bottom, there is a logo for 'Mandis shop' and the website 'www.mandis.tv'.
